

We eliminate the hassles and hazards of switching to a new housing provider.

“Switching sounds like too much work.”

You’ll be surprised how easy it is when Travel Planners helps with the details. Our team can integrate with your staff to function as your full-service housing department. If you like, we can even coordinate contact with hotels. For you, it’s life as usual.

“I can’t face renegotiating hotel contracts.”

There’s no need to start over. Travel Planners can administer your contracts “as is.” We’ll also work closely with you to handle any minor modifications that the changeover entails.

“It must be hard to manage overlapping providers.”

You’ll be surprised how smoothly the hand-off goes. Close cooperation between old and new companies is the rule rather than the exception. Travel Planners has long experience in making sure transitions are smooth and hassle-free.

“I can’t afford to upset my VIPs.”

We’ll take a personal, proactive approach and introduce ourselves to your most important constituents. Our dedicated group specialists are experienced hand-holders, problem-solvers and diplomats.

“I’m worried that a switch will cost too much.”

Travel Planners will deliver all the benefits of your Master Plan at no added cost. If you do incur administrative expenses, we’ll help you address the issue so that switching makes financial sense for you.

“Our old housing provider’s name is everywhere.”

Your Travel Planners Program Executive and eMarketing Team will help you promote the change to everybody. Our complete marketing package will be adapted to your needs at no cost.

“I put myself on the line if I push for change.”

We appreciate that your reputation and credibility may be at stake when you advocate for a new housing provider. You can count on Travel Planners to support you fully with staff and information. We’ll help you in any way to gain the approval of all decision-makers in your organization.
