

your master plan for convention housing®

ResAssure

**We guarantee a  
hotel reservation  
number for every  
guest in advance.**

When Travel Planners is your housing provider, every exhibitor and attendee has a confirmed room...and the hotel's confirmation number to prove it. No more check-in nightmares. No more "walks."

**How our high-tech, high-touch  
ResAssure® system works:**

- Reservation data is exchanged electronically with most hotels, eliminating data entry errors and collecting confirmation numbers.
- A dedicated staff is assigned to acquire, track and manage hotel confirmations.
- If a hotel can't or won't generate a confirmation number, the team proactively works to re-book the guest.
- Block managers can easily access confirmation numbers online in advance.

**It's all part of the plan...at no extra cost.**

Our exclusive ResAssure service is included in your Master Plan and there is no cost to implement it.
